by *Yusuke Kaneki, Takashi Kikuzawa, Hitomi Yoshimura, Nobuyuki Miyake and Junji Otani*

#### Precis

Mitsubishi Electric has established four business areas to achieve sustainable management: “Infrastructure,” “Industry and Mobility,” “Life,” and “Business Platform.”

This special feature covers “Information Technology for Realizing Sustainable Societies (The first part),” which is the foundation that supports all four areas.

The second part will be published in ADVANCE vol. 181.
